**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of many consumers who enjoys the competition of small businesses and have enjoyed supporting my local small Internet Service Provider to compete and expand. Please do not allow the large services to hike the costs of expanding service and further increase the cost for many happy customers who do not want to be stuck in a monopolized environment with no choices for internet service.
